CNB Employees Give Back

IMMEDIATE RELEASE: Carlinville, IL, Tuesday, December 21, 2021

CNB Bank & Trust continues to make the Holidays and New Year a little brighter for charitable organizations in our communities. In celebration of our appreciation to these organizations and all they do for our communities, CNB is empowering its employees again this year, to assist with the 2021 year-end giving campaign. Employees take an active role in selecting charities of their choice.

A consistent contributor to events and causes in each of our local communities, CNB continues to make philanthropy a priority and is proud to have been involved within our communities in various ways throughout 2021. A few of these efforts included sponsoring local annual food drives, participation in the much needed PPP loans for local businesses, providing matching funds with the Targeted Impact Fund, sponsorships to local schools, and a summer math program for students within various communities CNB serves.

For the 2021 holiday season, employees of CNB's 18 branch locations selected **155** different charities from our communities to receive a total of **\$26,175.00** in addition to prior contributions made throughout the year. A complete list of charitable organizations can be found on www.cnbil.com/About/community-involvement.
